Re: General Notice

Hello Residents,

PLEASE READ ALL MONTHLY NEWSLETTERS FOR ANY AND ALL UPDATES FOR YOUR KNOWLEDGE AND UNDERSTANDING!!

* Please be aware that if you do NOT have a “power of attorney”, we can NOT give out any personal information to anyone outside your household. All resident information is confidential and we will only disclose information with the members of the household UNLESS you have provided us with a “power of attorney”.

* **Office/Maintenance hours**: Monday-Friday 08:00 a.m.- 04:00 p.m.

* **Office Closings**: Friday, April 7, 2023

* **Maintenance Closings**: Friday, April 7, 2023

1. **-Warm Weather-** Keep yards clean of all kids’ toys, bikes, etc. for lawn maintenance purposes. Please be cautious of snakes and other pests that may be present during warmer weather.
2. **-Air Conditioning-** Please note that with the increase in temperatures outside, I want to take a minute to discuss possible issues that may cause your system to not operate correctly;

*Keep the temperature at a setting that does NOT stress the system out. Meaning, do NOT set the temp at 60 degrees because it will probably NEVER shut off due to trying to keep it that cool. No system will last very long when it is set at this temp. It will overwork the system and “freeze” up which will keep it from cooling at all. If this happens, all you have to do is shut the system OFF and let it “defrost” and then turn it back on and it will work as it should. Do NOT have windows or doors open if your air conditioning is on, ever; it will do the same thing I mentioned above. I recommend to set it at a reasonable temperature (70-75) this will also keep your power bill down; we have some of the highest utility rates in the state.

*If your system does go down and David determines that a technician has to come out to inspect, then please realize and understand it may take a few days to get corrected due to ordering of parts. If this happens, we will provide window units for your apartment until we can get it fixed. Also, if we find that the filters that we provide you on filter and pest control day are not being replaced by the resident, then the cost of the repairs may be your responsibility.

3. **Trash on the Property- TRASH CANS!!!** Pick UP after your household - You, the Resident, is solely responsible for establishing trash service and to **PAY** for this service to the person you contract with. I am not responsible for coordinating this for any resident. **YOU ARE TO OWN YOUR OWN OUTSIDE TRASH CANS WITH LIDS AT ALL TIMES AND YOU ARE RESPONSIBLE FOR REMOVING ALL OF YOUR OWN TRASH EACH WEEK BY A TRASH SERVICE OR BY THE TRANSFER STATION 1 MILE DOWN THE ROAD.** Starting on July 1, 2022, residents will be fined \$20.00 for any excess trash and if it is not being "hailed off", this is your 1st warning, NO EXCEPTIONS.
4. **Lease Compliance and Terminations-** As most, if not all residents, are aware on how I like to manage and give ALL households plenty of opportunity to comply with all aspects of the "House Rules", dwelling lease and all other policies BEFORE I proceed with lease terminations. Lease terminations will continue as applicable with any and all lease violations. I look at the arrest reports weekly to see if any residents have been arrested for anything. **Leases are being terminated for all repeated violations regardless if it's an arrest or if it is routinely paying rent late and/or having repeated and excessive "Outstanding Balances"**. All violations will be given three (3) notices and then termination, NO EXCEPTIONS.
5. **Monthly Pest Control:** I now have a copy of the MSDS for the spray used in our units for Pest Control, posted on the bulletin board in the office lobby. If you have any questions or concerns regarding the Pest Control, feel free to come by the office and read the info provided. **Please be aware that every resident has a laminated copy of the Pest Control schedule taped inside their kitchen cabinet door. That serves as your 48-hour notice of entry for every scheduled Pest Control and filter change date. The ONLY reason you should have for maintenance to not enter your unit would be if you are sick. If you are sick and do not wish for maintenance to enter, you need to provide a written notice to the office 24 hours before date of entry or a phone call/message to the office letting us know BEFORE that date. If you fail to notify the office in advance, maintenance WILL enter your unit at that time and proceed with scheduled service. No more than one (1) consecutive scheduled Pest Control will be allowed to be missed as this will cause an infestation to occur and your lease may be terminated for Material Non-Compliance.**
