No other Dumpsters will be provided after that.

March 11, 2020

To: All Residents

Re: 3rd 2020-unit Inspection Notice

Hello Residents,

This is a first notice that **all resident inspections** will begin **Monday March 30, 2020 and will continue on a daily basis until completed by Wednesday April 8, 2020.** All apartments will be inspected. The **previous 1st notice indicated that this was being coordinated with our 2019 REAC Inspection – PLEASE NOTE that there is NO HUD REAC Inspection this inspection is just our normal routine annual inspection. I apologize for the misinformation in the previous notice.** David and a helper will start at Apartment #712 on Ash Street and will proceed down the street to Boardtown St. We will then go to East 1st street and the East Second. From there we will go to Industrial Blvd then 55 Ouida St. and end with 30 Ouida St. apartments. There are quite a few households that **MUST** clean out their apartment and I will contact each of you independently to inform you.

We will allocate time for inspections from **9:00 am to 3:00 pm every day** (starting March 30, 2020) until the inspections are complete. I cannot give a definite date and time for each inspection because each inspection can vary from unit to unit. So please be prepared for anytime between 9:00 am and 3:00 pm each day. **We will be going into all apartments if you are home or not.**

- 1. Interior Standards – We MUST be able to move freely throughout your unit without having doorways, hallways and cased openings blocked by personal items. If we are unable to move freely through your apartment you are in violation Life/Safety rules and we will not inspect your unit and you will be given 24 hrs. to correct the issue or you will be fined and your lease may be terminated. This is a serious problem with some residents and EMS and the Fire Department have expressed serious concerns. This is a no exceptions item.**

a) **Walls:** should be clean, free of dirt, grease, holes, cobwebs, and fingerprints.

b) **Floors:** should be clean, clear, and free of hazards.
